

AUSTRALIAN CAPITAL TERRITORY (ACT)  
OCCUPATION LIST  
2019 - 2020

Skills Canberra

Effective 1 July 2019

## About the ACT Occupation List

The ACT Occupation List identifies the skills that are currently in demand in Canberra (for skilled migration purposes). The ACT Occupation List is used to determine the eligibility for ACT support of the following programs:

- ACT nomination of a Skilled Nominated (subclass 190) visa.
- Regional Certifying Body support of an Employer Nomination under the Regional Sponsored Migration Scheme.

The ACT Occupation List is not linked to specific job vacancies and it is not a guarantee of a job in a nominated occupation. You must be satisfied that there are sufficient employment opportunities in your nominated occupation before you apply for ACT nomination. You will compete for employment vacancies with all people in the labour market as part of a normal selection process. Your success will depend on employer requirements, your relevant skills, your experience and your level of English language ability.

New residents generally do not meet the criteria of employers who require citizenship or security clearance.

## Occupation caveats

The following caveats now apply to certain 'open' occupations on the ACT Occupation List

*^^ Registration or licencing is required*

*\*\* Employment Caveat: Minimum one year ACT employment contract (in the nominated occupation) with a medium to large enterprise located in the ACT; or an academic appointment at an ACT tertiary institution*

*## Minimum one year employment contract with an ACT employer in the nominated occupation*

## ACT Occupation List updates

While a major analysis of the demand for occupations will generally be undertaken twice a year (in February and August) the demand for each occupation *will be reviewed* on an ongoing basis. Once it is determined that the demand for an occupation has been met, the occupation will be closed without further notice.

## Disclaimer

The ACT is not responsible for inaccuracies in this list of occupations. For a full list of eligible occupations for migration purposes refer to the relevant legislative instrument [LIN 19/051](#).
